

**STATE COUNCIL OF EDUCATIONAL RESEARCH & TRAINING
VARUN MARG, DEFENCE COLONY, NEW DELHI – 110024**

F. No: 1/PMU/SCERT/ 2022-23/ 11182-96

Dated – 31/10/2022

CIRCULAR

Subject: Orientation of DURCCs/CRCCs for conduct of Baseline Assessment in Different Management Schools of Delhi

As per the guidelines of NIPUN Bharat FLN Mission, it is the mandate of SCERT to conduct baseline survey for KG to Grade 3 to ascertain their present learning stage so that proper interventions can be planned, executed and continuous progress tracked to ascertain the achievement of LOs/ Developmental Goals/ Lakshayas of the FLN Mission.

Baseline provides a snapshot of learning outcomes at the start of the program. Effective baseline assessments provide insights that help teachers identify individual needs and develop detailed learning plans for each child. Assessment data is vital to teachers as it informs the decisions they make about students when teaching and caring for them. Baseline Assessments provide a deep and local understanding of the social problems, the target group, and ground realities, identifying factors that may influence the success or failure of a programme.

The baseline tools for Language 1, Language 2 and Numeracy have been successfully prepared and was followed by piloting in some schools of DoE and MCD. The analysis of the piloting has also been conducted and the changes(as per observations/recordings during piloting) were accordingly incorporated in the baseline tools and replicas.

Course Design for One Day Training

Objectives/ Roles Instructions for Implementation Followed by Doubt Session	First half
Hands-on Training of the tools Data collection through Assessment sheets Followed by Doubt Session	Second Half
