Dated : 08/6/2023

CIRCULAR

Subject: Implementation of "ICT in Education" Curriculum for classes 6-8 in all Government Schools of Directorate of Education, Delhi.

Referencing the circular no. DE 23(419)/Sec. Br./2016/1537 dated on September 15, 2016, SCERT has implemented a curriculum for ICT in Education in all the government schools of the Directorate of Education (DoE) Delhi for classes 6–10 since 2016. This year, as a state academic authority, SCERT, Delhi, has amended this curriculum for ICT in Education for grades 6–8. This revised curriculum aligns with the recommendations in the New Education Policy (NEP) 2020 and will allow students to interact creatively with a wide range of hardware, software applications, and devices while also nurturing their curiosity and creative thinking and further preparing them for advancement with new 21st century skills.

This curriculum will assist educators in offering students a unique and personalized technique to convey their learning while also preparing them for continuous advancements in technology around the world. Based on this revised curriculum, text books for classes 6–8 have also been developed. All these books and curriculum are available on the SCERT Delhi website and on the DIKSHA Portal.

A soft copy of the same is also available on SCERT Delhi website and on DIKSHA Portal https://diksha.gov.in/play/collection/do_31376878930146099211139

All HOSs are directed to implement the revised ICT in Education Curriculum for classes 6 to 8.

This issue with prior approval of the Competent Authority.

(K. MURUGAN)
Joint Director (IT)
