Circular

Sub: Guidelines for Conducting Baseline Assessment for Business Blasters under the Entrepreneurship Mindset Curriculum in schools for 11 class students in the Academic session 2022- 23

The Entrepreneurship Mindset Curriculum (EMC) was introduced for the Delhi Government Schools in 2019 for grades 9-12, to enable students to take charge of their career paths and explore their potential to the fullest. It focuses on qualities and abilities such as identifying opportunities, trying something new, bouncing back from failures and persevering – to help students become successful in a business or in a job.

Business Blasters is a practical component of EMC for classes **11th and 12th** and has been designed to provide our students a real world experience to work in teams, brainstorm and identify challenges or business opportunities, prepare business plans and implement their ideas. All selected participating students can receive seed money of Rs. 2000 per student.

SCERT Delhi has initiated a study to better understand changes at both output and outcome levels in learner actions, from the beginning to the end of the program by studying Business Blasters' participants, the study will offer valuable insights on BB's impact, actionable design pivots for future iterations and how business blasters impacted and benefited the students. For this purpose SCERT has selected 294 schools to conduct a baseline assessment.

As a part of the study, EMC teachers of the subset schools across Delhi are required to conduct the baseline assessment in their respective schools through an online survey.

The heads of the schools and concerned MTs are requested to extend their cooperation and support to the EMC coordinators to complete the assessment in a given time

EMC coordinator has to ensure that students from their respective schools participate in the assessment. In the co-ed schools make sure that all the genders participate equally in the assessments.

Baseline Assessment form:

Click here: <https://survey.alchemer.com/s3/6930634/DelhiBB2022Baseline>

<https://survey.alchemer.com/s3/6930634/DelhiBB2022Baseline> (After filling this form, please maintain a proper record of all the students who have completed the assessment). Assessment link will also be shared in the all EMC Coordinator whats app group. Students can fill the assessment from their home or school according to their accessibility of electronic devices (Phone/Computer with Internet bandwidth). As 11th class admission is going on EMC teachers can conduct the assessment with the current enrolled students.

Assessment Guidelines-

In order for students to fill the assessment comfortably and effectively, it is important that EMC teachers guide students thoroughly.

The role of the EMC coordinator is to:

1. Please note that the online form has to be filled by all students in the 11th grade, across all sections.
2. The form can be completed in school or at home depending on availability and access to a phone or computer.
3. This form is unique in that it focuses upon activities that students may have engaged in, so far in their lives, based on their own experiences.
4. This form is not a test.

All Head of the schools, concerned Mentor Teachers are hereby requested to ensure that the assessment will be conducted by EMC coordinator within the given time i.e. latest by 25th september.

Please Note - All the data is being gathered with utmost confidentiality. The aim is to gauge the effectiveness of the Entrepreneurship Mindset Curriculum. No video recording, audio or images should be shared during the course of the assessment with any third party without the knowledge of SCERT.

The list of schools is given in the annexure 1.

All concerns are hereby directed to ensure the timely completion of above mentioned task.

(Dr. Nahar Singh)
Joint Director (Academics)
