Subject: Training Programme for all teachers of Directorate of Education on DIKSHA Delhi portal "LEAD" Titled: "CAREER GUIDANCE AND COUNSELLING- B2"

The modern-day student is more confused than he or she has ever been. Students spend almost one third of their day's duration in schools and thus, teachers have a considerable influence in guiding students in the right direction. With mounting parental, peer and relative pressures, students are more likely to take wrong career decisions without any proper guidance and thought going into the same. Teachers know students well enough to understand their inherent strengths and areas of improvement and can give a close sneak peek into students' interest. This training on 'Career Guidance and Counselling' guides you on when, why and how you can act as a career Counsellor.

The training has been provisioned on DIKSHA-LEAD platform for all teachers of Directorate of Education.
