Date: 27.10.26

Circular

Subject: Three days Training for Pre-Primary Teachers (Nursery & KG Teachers)

Early Childhood Care and Education (ECCE) plays an important role in laying the foundation for children's holistic development, learning and readiness for formal schooling. Therefore, strengthening the capacity of teachers in age-appropriate, play-based and child-centred pedagogies is essential for providing meaningful learning experiences during the foundational years.

The **National Education Policy (NEP) 2020** places significant emphasis on the universalization of quality ECCE and ensuring that every child entering Grade 1 is school-ready. In alignment with the vision of NEP 2020 and the **National Curriculum Framework for Foundational Stage (NCF-FS)**, SCERT Delhi is organizing a Capacity **Building Programme for Pre-Primary Teachers (Nursery & KG Teachers)** of MCD and DoE at ECCE level. In this regard the training of the Pre-Primary teachers is proposed from 27th October 2026 to 27th November 2026. The concerned DIET will schedule the training for three days for MCD and DoE between 27th October 2026 to 27th November 2026 and inform the schools of their concerned district timely.

The training will equip the teachers with the necessary understanding and pedagogical skills related to ECCE, play-based learning and developmentally appropriate practices.

Objectives

- Understand and discuss the importance of Play in ECCE
- Pedagogical approaches for teaching languages and mathematics
- Create activities of both free and Structured Play
- Understand the need for establishing a positive classroom culture
- Describe the components of classroom culture and classroom management
- Understand the role and importance of Physical Environment

All the concerned HoS are to depute Pre-Primary Teachers to the training venues on scheduled dates as per the information from DIETs.

Dr. Mukesh Yadav

Secretary (SCERT)
