Circular

Subject: Two-days Capacity Building Programme on the revised curriculum of “ICT in Education” for classes 6-8 for TGT Computer Science of the Directorate of Education.

In the year 2022-23, as a state academic authority, SCERT, Delhi, has reviewed and amended the curriculum for ICT in Education for classes 6–8. This revised curriculum aligns with the recommendations in the New Education Policy (NEP) 2020 and will allow students to interact creatively with a wide range of hardware, software applications, and devices while also nurturing their curiosity and creative thinking and further preparing them for advancement with new 21st century skills. This curriculum will assist educators in offering students a unique and personalized technique to convey their learning while also preparing them for continuous advancements in technology around the world. Based on this revised curriculum, text books for classes 6–8 have also been developed.

In this regard, to equip the teachers with the necessary skills and practical knowledge to effectively implement this revised curriculum in their classrooms, two days capacity building programme on “ICT in Education” including AR-VR has been schedule for Computer Science TGTs of Directorate of Education Delhi.

The program details are as under:

The training is to be organized in two cycles as mentioned below:
