Subject: Massive Online Open Courses (MOOCs) on Development of Critical thinking & 21st Century Life Skills for Teachers of Middle Stage and Secondary Stage (For Teacher Teaching Classes VI to X)

The National Education Policy (NEP) 2020 emphasizes the development of Critical Thinking & 21st-century life skills and highlights the need for Capacity Development Programme of teachers, mandating at least 50 hours of professional learning every year through both online and offline modes. In this context, MOOCs (Massive Open Online Courses) serve as an effective medium to help teachers fulfill the required training hours while enhancing their professional competencies. Aligned with the vision of NEP 2020, the State Council of Educational Research and Training (SCERT), Delhi has developed MOOCs courses on Development of Critical Thinking & 21st Century Life Skills Teachers of Middle Stage and Secondary Stage (For Teacher Teaching Classes VI to X). These courses span various subject areas such as Mathematics, Hindi, English, Science, Social Science, and Sanskrit, and are designed to foster essential competencies that promote holistic, competency-based teaching and learning practices among educators.

The 21st century life skills competencies have been structured into the following eight modules:
