Date: 10/10/25

Circular

Subject: Capacity Building Workshops under NCERT Project Vidyasagar 3.0 on Designing Activities for Holistic Progress Cards (HPC) Aligned with Competency-Based Assessment — reg.

This is in continuation of the SCERT previous circular (F.No.12 (6)/EPRA/HPC/SCERT/2025-26/7570-86), dated 01/08/2025 on the above subject, it is hereby conveyed that SCERT, in collaboration with PARAKH, NCERT, organized a series of three-day capacity-building workshops during August and September 2025 for all government and government aided schools of DoE, MCD, NDMC and DCB

These workshops focused on the implementation of Competency-Based Assessment and the NCERT-developed Holistic Progress Card (HPC) for the Foundational, Preparatory, and Middle Stages. The HPC is the mandate under NEP2020

The objective of this initiative was to enhance the capacity of teachers and educators on competency-based assessment practices and to orient them about the NCERT developed HPC.

As mentioned in the earlier circular, teachers who attended the workshops are expected to orient other teachers in their respective schools about the HPC as master trainer. "The workshops have been completed as scheduled, and all participating teachers, now serving as master trainers, are expected to sensitize and orient their colleagues by the end of **November 2025.**"

All Heads of Schools (HoS) of the concerned schools are requested to ensure that teachers teaching at the Foundational, Preparatory, and Middle Stages are adequately oriented on the NCERT HPC. Schools that could not attend the workshop may coordinate with schools within their district for the same.

The District DDEs are requested to ensure compliance.

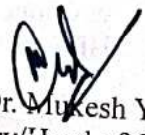

For any queries, schools may contact the designated nodal in-charges from DIETs and SCERT. (List at Annexure A)

This issue with the prior approval of the competent authority
