CIRCULAR

Subject: Three Days Continuous Professional Development for TGT Science.

Description:

The National Education Policy NEP 2020 has a comprehensive framework for revitalizing science education in India, which is the need of the hour. The emphasis is on Experiential Learning, Critical Thinking and Inter disciplinary integration.

The content based trainings incorporate these fundamentals of NEP 2020 and will cater to the access, equity, quality, affordability and accountability. Therefore, beside the core content and the recent changes in the syllabi, the present training envisages competency based learning as well as assessment.

This would indeed pave the way for holistic development, skill development and Teacher's professional developmental opportunities as well as their empowerment as facilitators.

Objective:

- To develop inventiveness and creativity in science along with enhancing competence of the teachers.
- To cultivate a scientifically literate, and innovative citizenry by strengthening the teachers' core competencies.
- To apprise science teachers with latest developments in science education and empower them with pedagogical techniques so as to strive towards their full potential.
