CIRCULAR

Subject: Continuous Professional Development of Sanskrit Teachers.

NEP' 2020 recognises that teachers will require training in high-quality content as well as pedagogy. Teachers will be given opportunities for continuous self-improvement and to learn the latest innovations and advances in their professions. Each teacher will be expected to participate in CPD programmes every year for their professional development.

In light of the above, Sanskrit being an important modern language mentioned in the Eighth Schedule of the Constitution of India will be mainstreamed with strong offerings in school and included as one of the language options in the three-language formula, as well as in Higher Education as an optional subject, in Indian Philosophy and Yoga as a first text language.

SCERT Delhi is going to organize a Continuous Professional Development Programme for 4000 Sanskrit Teachers on Teaching skills, Educational Philosophy and Psychology. This training will be conducted through 50 Master Trainers of Sanskrit who will be selected from the pool of self nominated PGT Sanskrit and TGT Sanskrit teachers of DoE, GNCTD. Selected teachers for the pool will be provided prior training on philosophy, child psychology, soft skills, game based pedagogy, online-technology, etc. through "Teaching Skill Program".

Those who are willing to provide short and long term mentoring/professional support to Sanskrit teachers can self nominate themselves for Master Trainers by **25.04.2022**, using the below mentioned link.
