D.O. NoNMNH-01/16/2024-NMNH

7th August, 2024

Dear *Manishji*,

On the occasion of World Environment Day, i.e., 5th June, 2024, Hon'ble Prime Minister launched a campaign for tree plantation; #एक_पेड़_माँ_के_नाम# Plant4Mother, by planting a sapling of Peepal Tree at Buddha Jayanti Park, New Delhi. The Hon'ble Prime Minister exhorted the people across the world to plant a tree as a mark of love and respect for their mother and to also take a pledge for protecting trees and Mother Earth.

2. The objective of this campaign is to achieve green cover targets, achieve a green economy and adopt a sustainable lifestyle for combating the challenges of climate change, by planting a tree as a tribute to mothers. This effort not only mitigate the effects of deforestation but also fosters a culture of environmental responsibility, ensuring that future generations inherit a vibrant and resilient environment.

3. To make tree plantation a mass movement an initiative is taken by the Ministry of Environment, Forest and Climate Change by involving educational institutions and other stakeholders across the country to be part of this Campaign. The schools from various states across the country have responded by taking Pledges to plant tree saplings in the name of their mothers and by organizing tree plantation in school premises and surrounding neighborhood areas.

4. To take this initiative ahead, a meeting with Principals of all the schools of Delhi is to be convened under the chairmanship of Director General of Forests and Special Secretary of this Ministry, Shri Jitendra Kumar, on 20th August, 2024 (Tuesday) at 12:00 noon in hybrid mode for promotion of the tree plantation campaign. It is requested to issue necessary directions to schools under your administrative control to attend this interactive session. VC link is being provided separately by email.
