Circular

Subject: Guidelines for Conducting the baseline Assessments of Entrepreneurship Mindset Curriculum in schools for class 11 students in the Academic session 2024-25

During the academic year 2022-23, SCERT Delhi initiated a longitudinal study to assess the impact of the Entrepreneurship Mindset Curriculum on students' mindset shifts. This study is ongoing and will span over four years, beginning with the batch of students in Class 9 in 2022-23 and concluding when they graduate from Class 12.

A subset of schools was selected for this study, and the entire study will continue with these schools only. These schools were chosen based on specific criteria such as demographic representation & categories of schools etc.

As per the Circular No.1.54/E.T./SCERT/2023/EMC/200-208(Subject - Guidelines for Conducting Baseline Assessment under the Entrepreneurship Mindset Curriculum in schools for grade 9 students) and F3(3)/vi/EMC/SCERT/2022-23/ 20877-84(Guidelines for Conducting the Endline Assessments of Entrepreneurship Mindset Curriculum in schools for class 9 students in the Academic session 2022-23) both the baseline and endline assessments have been conducted.

In continuation with that, a baseline assessment has to be conducted for the Class 11 students who were part of the previous EMC assessment. EMC teachers and the EMC coordinator of the selected schools are directed to share the baseline assessment form with their respective school's students so that they can fill out the form in a timely manner.

The list of students who will participate in the assessment is given in the link below:
<https://drive.google.com/drive/u/4/folders/1J08-M-kLN0ni2UbFd-gjTwTwrMo1VWMO>

Assessment date : 21 August to 5 September, 2024

All Head of the schools, concerned Mentor Teachers shall ensure that EMC Coordinators and EMC Teachers should guide and help the students to fill the assessment form within the given time.

Link for Baseline Assessment form: <https://forms.gle/5V19SUQsULqTq9Et8>

Students can fill the assessment from their home or school according to their accessibility of electronic devices (Phone/Computer/Internet bandwidth).

Please Note- All the data is being gathered with utmost confidentiality. The aim is to gauge the effectiveness of the Entrepreneurship Mindset Curriculum. No video recording, audio or images should be shared during the course of the assessment with any third party without the knowledge of SCERT. This assessment is not a part of the EMC examination. It is a part of the Longitudinal research study that has been initiated by the SCERT for the academic year 2022 to 2026.

The list of schools is given in the annexure 1.

All concerns are hereby directed to ensure the timely completion of above mentioned task.

Dr. Nahar Singh
Joint Director
