CIRCULAR

Subject: Five-Day Workshop on Development of Item Bank for Classes 4 and 5

In accordance with the National Curriculum Framework for School Education (NCF-SE) 2023, competency and learning outcome-based items are essential for assessing the competencies of learners. The development team has already been oriented to create these items, and they have successfully developed them for classes I, II, and III across various subjects.

Now, a five-day workshop has been scheduled for the development of the Item Bank for classes IV and V. All teachers listed in the attached document are required to develop four worksheets (two for class IV and two for class V), with each worksheet containing 10 items. The link for the online orientation and distribution of work will be shared with you through the WhatsApp group that was previously created for this purpose.

Details of the Workshop:

- **Dates:** 5th, 6th, 7th, 8th, and 10th March 2025
- **Mode:** Online
- **Time:** 10:00 AM to 5:00 PM
- **Participants:** Please refer to the attached list for the names of the participants.

Instructions for Heads of Schools (HoS):

- All HoS are directed to grant their teachers permission to participate in this time-bound project.
- HoS should ensure that their teachers complete the assigned task within the stipulated timeframe and submit the worksheets on 10th March 2025.

This is with prior approval from the competent authority.
