Subject- Guidelines for Conduct of Baseline Assessment under NIPUN Bharat FLN Mission in Different Management Schools of Delhi

As per the guidelines of NIPUN Bharat FLN Mission, it is the mandate of SCERT to conduct baseline survey for KG to Grade 3 to ascertain their present learning stage so that proper interventions can be planned, executed and continuous progress may be tracked to ascertain the achievement of LOs/ Developmental Goals/ Lakshayas of the FLN Mission.

For smooth conduct of Baseline Assessment, guidelines have been framed to ensure uniformity and objectivity during the entire execution process.

Guidelines for Implementation of NIPUN Bharat Baseline Assessment (Nov'22)

School and Sampling related

1. Each district has selected 10% of the total schools from DoE, MCD, NDMC, DCB and DSW through stratified sampling technique. The list of the schools selected for the Baseline Assessment as per the sampling is attached as Annexure 1.
2. Baseline Assessment will be conducted for all the students of classes Balvatika (KG), Grade 1, Grade 2 and Grade 3 in the sampled schools.
3. In case a student is absent on the day of assessment, the assessment of that student may be conducted the next day. Only student who is absent since long can be left.
4. The responses of the students are to be recorded in the provided hard copies- "FLN Baseline Assessment Sheets". These hard copies are to be submitted at the respective DIETs to District Coordinators (list attached as Annexure 2) after completion of the Baseline Assessment process.
5. The data recorded in the hard copies will also be updated in the soft copy of the sheets shared by District Coordinators on day-to-day basis.
6. Mention the set number used in conducting the assessment of the school in the "FLN Baseline Assessment Sheet". It is also suggested to use the same set for covering all the students of same class and school.
7. The time span for completing the schools in the districts is 3 weeks. On an average spend 10-15 minutes per student.
8. As per the recommendations of NEP 2020 that promotes multilingualism in foundational years, multilingual responses should be accepted. If a child is not able to understand any question, the question can be explained to them in a simplified manner in his/her familiar language.
9. To ensure inclusion, extra time can be given to children with special needs.
10. The Principal of each sampled school should be informed prior visit to the school and must be briefed on the objective and process of the same.

11. Take care that the regular functioning of the schools should not be disturbed during this process.
