CIRCULAR

Subject: Implementation of *NIPUN Sankalp* Intervention Activities in Schools

As you are aware, the **NIPUN Sankalp** intervention is currently being implemented across all schools under the Directorate of Education to address learning gaps in **Foundational Literacy and Numeracy (FLN)** among students of Classes 1 to 8.

Baseline Assessment of all children in classes 2-8 has already been conducted. Based on the **baseline assessment**, learning levels of students have been identified in the respective schools. The next phase focuses on conducting **classroom-based intervention activities** to strengthen foundational learning. Level-wise Readiness Modules have been developed to conduct classroom interventions for children in classes 2-8. The printed copies of the **Readiness Modules will be disseminated for all children in classes 2-8.**

To initiate the interventions, the link and QR code of the worksheets for **class-wise activities to be conducted during the month of November** are enclosed here with. The teachers can scan the QR code to access the day wise worksheets

All Heads of Schools are requested to:

1. Ensure that teachers conduct the prescribed activities during the FLN period as per the schedule.
2. Download the **class-wise intervention files** provided in this circular and share them with respective teachers.
3. Monitor the progress and maintain brief records of classroom implementation for review.
