**Subject: Circular for EMC Learning Communities Pilot**

The Entrepreneurship Mindset Curriculum (EMC) was introduced for the Delhi Government Schools in 2019 for grades 9-12, to enable students to take charge of their career paths and explore their potential to the fullest. It focuses on qualities and abilities such as identifying opportunities, trying something new, bouncing back from failures and persevering – to help students become successful in a business or in a job.

For programs like the Entrepreneurship Mindset Curriculum where teachers undergo capacity building at the beginning of the year, learning communities are a way to ensure teachers exchange sustained support along with a space to learn from, collaborate with, and problem-solve throughout the year. This is a mechanism where teachers can tap into their peers' experience and expertise to enhance curriculum delivery in their own classrooms.

In this regard, we are conducting a pilot project of EMC Learning Community with 6 Districts, the detailed process of which is as under:

- The pilot will be conducted with 6 districts (South, South West B, Central and New Delhi, West B, East and North).
- Each district will be represented by 10 schools. Each school will be represented by 2 teachers each. (list attached below)
- The teachers will participate in three Learning Community sessions, in-person meetings, in their respective districts till December.
- On a pre-informed day in a month, the teachers will attend the Learning Communities session at the respective venue.

**First EMC Learning Community Session:**

The details of the first Learning Community session are as follows:

**Name of the session** - EMC Learning Communities-1

**Date** - 7th November 2022 (Monday)

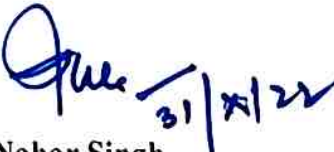

**Time** - 9am to 12pm

**Venue** - Venues of the monthly sessions will be the respective District/Zonal Coordinators' school of the 6 selected districts. (List attached below)

The HoS/ District/ Zonal Coordinator of the selected districts will be the Chairperson of the monthly sessions, who will also look after the smooth execution and all logistics of the session. They will ensure the arrangement of the following for smooth conduction of session -

1. 1 hall/ large and spacious room
2. Seating arrangement for 22 participants
3. Audio visual aid - kyan and projector screen and mic

All HoS are requested to depute the teachers mentioned in the annexure for the EMC Learning Community session.
