Subject: Primary Leadership Development Program (PLDP) for principals and in-charges of MCD schools for September

SCERT is initiating the Primary Leadership Development Program (PLDP) for principals and in-charges of MCD schools. The objectives of the PLDP program are the development of the leadership competencies of the Principal and a constant journey of growth and improvement in the school.

The program was launched by SCERT in October 2021. After the launch, a selection process was carried out to identify facilitators from within the 4 zones of the then South MCD. The selected facilitators have gone through a Facilitator Development program from Jan to June 2022.

Starting August 2022, the facilitators will lead the cluster sessions for the MCD principals every month. The schedule for each monthly cycle will be shared in advance by SCERT. The venue for each session will be a school within the cluster, on rotation basis, such that Principals get an opportunity to visit each other's schools.

The PLDP sessions in September will focus on the following objectives:

1. Building self awareness through our actions and our responsibility as a head of the school
2. School & class observation of the venue school
3. Creating group norms
