F. No. 1/Research/SCERT/2025-26/ 935-41

Dated:-22-04-25

CIRCULAR

Subject: Support for Ongoing Research Studies Undertaken by SCERT

As per the directions of the Worthy Secretary (Education), SCERT is currently undertaking the following research studies aimed at ensuring qualitative improvement in school education:

1. *Do we need teachers in schools in the era of IT, AI, and digital education?*
2. *Impact of RTE entitlements, with specific reference to PM Poshan, on the sudden rise and dropout of students in Classes 9 and 10.*
3. *Impact of IIM training programmes conducted by SCERT on Heads of Schools (HoS).*
4. *A study on whether HoS are analysing enrolment, attendance, and dropout data and making informed decisions to enhance school effectiveness.*
5. *How to measure and improve the performance of teachers?*

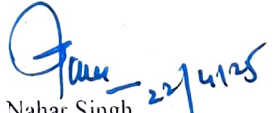

In connection with the above studies, data collection from various stakeholders—including Heads of Schools, teachers, students, and parents—is essential. For this purpose, field investigators from DIETs and SCERT will be visiting randomly selected schools across the state.

You are requested:

1. **Extend full cooperation** to the field investigators during their visits.
2. **Provide relevant records** pertaining to students, teachers, and parents, as required for the research.

Please note that SCERT will strictly maintain the confidentiality of all individuals and institutions involved. Data will be collected following established protocols and in accordance with all applicable rules and regulations.

All concerned are requested to treat this as **most urgent** and ensure compliance.

Dr. Nahar Singh
Joint Director (Acad)
