- **Inclusive Education:** The program aims to develop TLMs that are inclusive and accessible for children with diverse learning needs, including those with disabilities, ensuring that no child is left behind.
- **Teacher Empowerment:** The development program also aims to empower teachers with appropriate, easy-to-use teaching aids and materials that support effective teaching methodologies, enhance teaching quality, and foster creativity in classrooms.
- **Encourage Creative Pedagogy:** The program emphasizes fostering creativity in teaching and learning through innovative and interactive resources that stimulate critical thinking and problem-solving skills among students.
- **Strengthen the Foundational Literacy and Numeracy (FLN):** A core objective of the TLM development under NIPUN Bharat is to support the achievement of foundational literacy and numeracy skills in early education, which are critical for future academic success.
