About SCERT

State Council of Educational Research and Training (SCERT), Delhi is an autonomous body which was established in May 1988. Nine DIETs were also established to function in collaboration with SCERT. SCERT and DIETs provide academic support to the Directorate of Education, Delhi, and the Education Departments of MCD, NDMC and the Cantonment Board to facilitate an overall improvement in the quality of School Education.

Among their diverse roles, SCERT and DIETs offer quality pre-service training, in-service training, develop curriculum and quality teaching-learning resources, and take up research projects that help policy makers, planners, and practitioners in enriching the quality of curriculum, pedagogic planning, student learning, professional development of teachers and knowledge creation in the teaching profession.

SCERT also organises research conferences on issues and developments in the field of education.

In this framework, SCERT is going to organise a research conference focusing on the changes emerging in the field of School Education as envisaged in the National Education Policy 2020.

About the Conference

The National Conference on “Institutionalising Change: NEP 2020 and the Vision of New Classrooms” is a pivotal event to facilitate meaningful discussions and collaborations on current status of planning and implementation of NEP 2020 in classrooms. It will also showcase innovative research and practices by bringing together experts, educators, researchers and other stakeholders on a common platform. The conference aims to foster a deep understanding of the education field, inspire new ideas and approaches leading to the advancement in classrooms.

Themes

1) Getting the foundation right:

- Early Childhood Care and Education
- Developing Foundational Literacy and Numeracy
- Revisiting the values and offering value education

2) Reimagining classrooms as learning spaces:

- Teacher and Teacher Training
- Innovation in Curriculum and Pedagogy
- Skills as per the emerging needs of society

3) Welcoming Diversity in classroom:

- Inclusivity and Equitability
- Universal Design for Learning (UDL),
- Multilingualism

Call for Papers
