Symposium on

**Empowering Learners
through English:
Strategies and Insights**

Date: 13 January 2025

About the symposium

Professional development is an indispensable requirement of teachers to improve their practice.

NEP 2020 stresses on the importance of continuous professional development of teachers driven by their own interests as it is important for them to be given continuous opportunities for self-improvement and to learn the latest innovations and advances in their professions. This conference offers unrivaled CPD opportunities for teachers where they get to know about innovation and best practices in their field of work.

Call for Entries

About SCERT

State Council of Educational Research and Training (SCERT), Delhi is an autonomous body which was established in May 1988. Nine DIETs were also established to function in collaboration with SCERT. Among their diverse roles, SCERT and DIETs offer quality pre-service training, in-service training, develop curriculum and quality teaching-learning resources, and take up research projects that help policy makers, planners, and practitioners in enriching the quality of curriculum, pedagogic planning, student learning, professional development of teachers and knowledge creation in the teaching profession.
