

STATE COUNCIL OF EDUCATIONAL RESEARCH & TRAINING (SCERT), DELHI
DISTRICT INSTITUTE OF EDUCATION AND TRAINING (DIET)
J&K Block, Dilshad Garden, Delhi-110095

NOTICE INVITING TENDER (NIT)

NIT No.: 2 Date: 08/09/2026

Subject: Notice Inviting Tender for providing DJB water supply and sewer connection at DIET, J&K Block, Dilshad Garden, Delhi-110095

Sealed tenders are hereby invited from **eligible and duly authorised/licensed Delhi Jal Board (DJB) plumbers/contractors** for execution of the work of providing/connecting DJB water supply and sewer connection to the premises of **District Institute of Education and Training (DIET), J&K Block, Dilshad Garden, Delhi-110095**, as per the specifications, quantities, terms and conditions contained in this NIT.

1. Name of Work

Providing DJB water supply and sewer connection, including necessary plumbing, materials, excavation, laying, jointing, testing and restoration at DIET, J&K Block, Dilshad Garden, Delhi-110095.

2. Scope of Work

The work shall include, but shall not necessarily be limited to, the following:

1. Connecting the DJB water supply line from the nearest available DJB water line to the DIET premises.
2. Connecting the water supply to the Underground Reservoir (UGR) at the Pump House.
3. Providing the required water connection to both washrooms of the Multipurpose Hall/House.
4. Carrying out the required sewer connection from the nearest available DJB sewer line to the DIET premises.
5. Providing all necessary pipes, fittings, joints, valves, bends, connectors and other materials required for proper and functional completion of the work.
6. Excavation, laying, jointing, testing, filling and restoration of the excavated portion.
7. Proper protection of underground water-supply pipes, including concrete protection wherever considered necessary, to prevent damage during subsequent excavation or civil works.
8. Providing and installing necessary water pumps/motors and associated fittings wherever included in the approved estimate/BOQ.
9. Providing a DJB-approved water meter and other necessary fittings as required.
10. Testing and commissioning of the entire water and sewer connection before handing over the completed work.

(SCERT, GNCT of Delhi)
J & K Pocket, Dilshad Garden, Delhi-110095

11. Rectification, at the contractor's own cost, of any leakage, defective jointing, improper installation or other defect attributable to defective workmanship or material.

The work shall be executed in a technically sound and workmanlike manner and in accordance with applicable DJB requirements and accepted plumbing practices.

3. Estimated Cost of Work

The estimated cost of the work is ₹ 2,50,000 (Rupees Two Lakh Fifty Thousand only), including/excluding GST as specified in the Schedule of Quantities.

The bidder shall quote rates for the complete work/items as prescribed in the BOQ.

4. Earnest Money Deposit (EMD)

EMD of ₹_ shall be deposited in the form prescribed in the tender document.

The EMD shall be dealt with in accordance with the applicable provisions of GFR, 2017 and prevailing Government instructions.

Bidders claiming exemption from EMD, if admissible under applicable Government orders, shall submit valid documentary proof along with their bid.

5. Performance Security

The successful bidder shall furnish Performance Security at the rate and in the manner prescribed under the applicable GFR, 2017/procurement guidelines and the tender conditions.

The Performance Security shall remain valid for the prescribed period and shall be liable to forfeiture in accordance with the terms of the contract in case of failure to fulfil contractual obligations.

6. Eligibility of Bidders

The bidder must:

1. Possess a **valid DJB licence/authorisation** for undertaking the proposed water supply/sewer connection/plumbing work.
2. Submit documentary proof of valid DJB authorisation/licence.
3. Have adequate experience and technical capability for execution of similar works.
4. Have adequate manpower, tools, equipment and resources required for completion of the work.
5. Comply with all applicable statutory requirements, including labour, safety, taxation and other applicable laws.
6. Not have been blacklisted/debarred by DJB, Government Departments, Government agencies, PSUs or any other competent authority as on the date of submission of the tender.
7. Submit a self-declaration to this effect along with the bid.

7. Site Inspection

PRINCIPAL

30	Miscellaneous items	As required at site	As required

Note: The above quantities are based on the requirements indicated in the existing quotation notice and shall be treated as tentative until verified and incorporated in the approved detailed estimate/BOQ.

9. Labour

The bidder shall quote separately for labour/execution for:

1. Water-line work; and
2. Sewer-line work.

All labour, supervision, tools, equipment, transportation and incidental expenses required for satisfactory completion of the work shall be deemed to be included in the quoted rates unless specifically provided otherwise in the BOQ.

10. Completion Period

The entire work shall be completed within **07 (seven) days from the date of issue of the Work Order**, or within such other period as may be specified in the Work Order.

The contractor shall complete the work, including testing and restoration, within the stipulated period. The original proposal also contemplated completion within one week.

11. Tender Submission

The tender shall be submitted in the prescribed format along with duly filled and signed BOQ, valid DJB licence/authorisation; GST registration, wherever applicable; PAN; details of

PRINCIPAL
 District Institute of Education & Training (NE)
 (SCERT, GNCT of Delhi)
 J & K Pocket, Dilshad Garden, Delhi-110095

similar works executed; EMD, wherever applicable; declaration regarding non-blacklisting/debarment; acceptance of all terms and conditions of the NIT; and any other document specifically required in the tender document.

12. Last Date and Time for Submission

Last date: 11/09/2026, **Time:** 10:00AM

Place: Office of the Principal, DIET, J&K Block, Dilshad Garden, Delhi-110095.

Tenders received after the prescribed date and time shall not ordinarily be considered.

13. Opening of Tender

The tenders shall be opened on: **Date:** 11/09/2026 , **Time:** 12:00AM

Venue: Office of the Principal, DIET, J&K Block, Dilshad Garden, Delhi-110095.

14. Evaluation of Tenders

The tenders shall be examined in accordance with the applicable procurement rules and the tender conditions.

The evaluation shall include:

- eligibility and validity of DJB licence/authorisation;
- completeness of tender documents;
- technical suitability;
- experience and capability;
- compliance with specifications;
- financial bid/rates; and
- reasonableness of the quoted rates.

The contract shall ordinarily be awarded to the **lowest evaluated responsive and technically qualified bidder (L-1)**, subject to determination of reasonableness of rates and approval of the competent authority.

Lowest quotation shall not by itself confer an automatic right to award of work where the bidder fails to meet the prescribed eligibility, technical or other tender requirements.

15. Taxes and GST

The bidder shall clearly indicate whether GST and other applicable taxes are included in or excluded from the quoted rates.

GST shall be dealt with in accordance with applicable law and Government instructions.

16. Quality of Materials and Workmanship

All materials shall be of approved/appropriate quality and suitable for the intended purpose. The underground water-supply pipes shall be adequately protected wherever required. The work shall be inspected by the authorised officer/committee of DIET. Any defective work,

PRINCIPAL
District Institute of Education & Training (NE)
(SCERT, GNCT of Delhi)
J&K Block, Dilshad Garden, Delhi-110095

leakage, improper jointing or substandard workmanship detected during execution or within the applicable defect-liability period shall be rectified by the contractor at his/her own cost.

17. Safety and Protection of Existing Services

The contractor shall take all necessary safety precautions during execution. Care shall be taken to avoid damage to, existing building structures; roads and pavements; drains; electrical installations; water lines; sewer lines; and other underground/overhead services. Any damage caused due to negligence of the contractor shall be repaired at the contractor's own cost. These requirements are consistent with the conditions contained in the existing quotation notice.

18. Payment

Payment shall be released only after:

1. satisfactory completion of the work;
2. testing and commissioning;
3. verification/measurement of the work;
4. certification by the authorised officer/committee;
5. submission of proper bill and supporting documents; and
6. compliance with all applicable financial and tax requirements.

No advance payment shall be admissible unless specifically permitted/approved under the applicable rules and tender conditions.

19. No Splitting of Work

The entire requirement relating to the proposed DJB water and sewer connection shall be treated as one composite requirement for determining the applicable procurement procedure and financial powers. The work shall not be split into artificial components with the objective of avoiding the procurement procedure or financial sanction applicable to the total estimated value. This is also consistent with the principle in **Rule 137 of GFR, 2017**, under which a group of works forming one project is to be considered as one work for approval and sanction purposes.

20. Procurement Procedure

The procurement shall be undertaken strictly in accordance with the applicable provisions of **GFR, 2017**, the **Manual for Procurement of Works, Second Edition, 2025**, applicable SCERT/GNCTD financial rules and instructions, and the Delegation of Financial Powers applicable to the competent authority.

Where the estimated value falls within the threshold for Limited Tender Enquiry, the tender shall be invited from the appropriate eligible/enlisted contractors in accordance with the applicable procedure. The 2025 Works Manual provides LTE as the default mode for works up to ₹10 lakh and prescribes competition among appropriate contractors. Where the estimated value or circumstances require another procurement mode, the appropriate mode shall be adopted instead.

District In-charge of Education, Delhi
(SCERT, GNCT of Delhi)
J & K Pocket, Disha Garden, Delhi-110093

21. Administrative Approval and Expenditure Sanction

This NIT shall be issued/processed only after obtaining the requisite **Administrative Approval, Expenditure Sanction and approval of the competent authority**, and after ensuring availability of funds, as applicable.

No work shall be commenced, and no liability shall be incurred before completion of the mandatory pre-requisites under the applicable financial rules. Rule 136 of GFR, 2017 specifically requires administrative approval, expenditure sanction, sanctioned design/estimate, funds, proper tender processing and issue of work order before commencement of works.

22. Right of Acceptance/Rejection

The competent authority reserves the right to accept or reject any or all tenders, wholly or partly, in accordance with the applicable rules, without assigning any reason, subject to the principles of transparency, fairness and reasonableness governing public procurement.

23. Cancellation of Tender

The competent authority reserves the right to cancel the tender process at any stage before award of work, in accordance with applicable rules, if circumstances so warrant.

24. Dispute Resolution

Any dispute arising out of the contract shall be dealt with in accordance with the dispute-resolution provisions incorporated in the final contract/work order and applicable Government instructions.

25. General Conditions

1. The contractor shall comply with all applicable DJB norms and requirements.
2. All statutory permissions/approvals required from DJB or other competent authorities shall be obtained as applicable.
3. The contractor shall arrange all labour, tools, equipment, materials and transportation necessary for completion of the work.
4. The contractor shall maintain proper safety precautions at the work site.
5. The contractor shall not subcontract the work without prior written permission of the competent authority.
6. The work shall be executed under the supervision of the authorised officer/committee.
7. Measurements shall be recorded and verified before payment.
8. No payment shall be made for defective or unapproved work/material.
9. The contractor shall leave the site clean and restore all excavated portions to the satisfaction of DIET.

10. The contractor shall comply with all applicable labour, tax, safety and statutory requirements.
